

Environmental Certificate (RoHs / WEEE)

- (1) Directive 2002/95/EC (RoHs / WEEE) specifies limits on six toxic substances. Fluid-o-Tech products do not exceed these limits for any of these substances.
- (2) This certificate applies only to products manufactured on or after 1 June 2006 and sold by Fluid-o-Tech or authorized Fluid-o-Tech distributors.
- (3) This certificate is correct to the best of our knowledge. Our certification is based on some information supplied to us by sources outside our company.
